Subject: Declaration for Signature Update

Madam/Sir,

I am submitting this declaration in person at your office as I am unable to replicate/match my existing signature as recorded in my account.

I kindly request you to update my signature in my Zerodha Trading and Demat records, as well as in the KRA database, based on the signature provided in the submitted documents.

I hereby confirm and declare that all signatures on the submitted forms and documents have been affixed by me.

I request you to kindly process the change in signature.

Thank You,

New Signature
